

Purpose

TV HIGHWAY CORRIDOR PLAN

...TVHIGHWAY.ORG

- Develop a regional, system-level corridor plan consistent with the Regional Transportation Plan (RTP) to **address safety and congestion problems** in the TVCP Study Area through short-term and long-term integrated **transportation solutions for all users**, including bicyclists, pedestrians, transit users, freight and drivers.
- Seek **consensus on the appropriate RTP street design and function** for TV Highway between the Hillsboro and Beaverton Regional Centers (8.5 miles, from Cedar Hills Boulevard in Beaverton to SE 10th Avenue/SE Walnut Street in Hillsboro).
