

Area Plan Descriptions

South Hillsboro Focus Area Plan

Outcomes from the TVCP and other specific recommendations are being used to develop a Focus Area Plan specific to the South Hillsboro community. The South Hillsboro Focus Area Plan will identify transportation improvements and solutions to meet the needs for this growing area. The plan will be finalized at the end of February 2013.

The TV Highway Corridor Plan (TVCP) identifies and prioritize ways to improve safety, manage congestion, and enhance conditions for users of TV Highway - drivers, pedestrians, bicyclists, transit users, and freight providers. The TVCP Policy Group approved this plan at their last meeting held on February 4th, 2013, and the document will be available on the project web site this week.

Washington County is leading a three-year planning effort laying the groundwork for an enhanced quality of life in the community and addressing future growth. The study is focusing on ways to support job growth, maintain and increase affordable housing options and improving auto, transit, freight, bike and pedestrian options. 2011-2013
