

Transportation System Solution Priorities

TV HIGHWAY CORRIDOR PLAN

...TVHIGHWAY.ORG

#1: Protect Existing Transportation System

-  • **Safety:** reduce crashes and injuries
-  • **Technology:** upgrade traffic signals to improve reliability for driving cars and trucks
-  • **Transit:** enhance the quality, safety, and reliability of transit and make it easier and safer to get to
-  • **Bicycle System:** enhance the quality, safety, and convenience for bicycling
-  • **Pedestrian System:** enhance the quality, safety, and convenience for walking or using a mobility device

#2: Improve Efficiency and Capacity of Existing System

- **Completing the Street Network:** improve street connectivity and make all streets accessible for all modes
- **Intersection Operations:** solutions that add left or right turn lanes for vehicles at intersections

#3: Add Capacity

Add vehicle lanes on TV Highway: add capacity for motor vehicles on TV Highway
