OPEN HOUSE #2

Understanding the Community & Transportation Needs

November 2, 2011

4:00 p.m. – 7:00 p.m.

Tonight's Presentations:

4:30 p.m. & 6:00 p.m.

Tonight's Goals:

- Learn about the planning studies underway
- See the new information collected
- Provide feedback to project staff

Tell us what you think.

- 1) Visit information stations and provide comments to staff
- 2) Bring your questions to tonight's presentations
- 3) Complete a survey

The TVCP project team needs your input to prioritize ways to make it easier and safer for drivers, cyclists and pedestrians to travel TV Highway. The TVCP will develop strategies for:

- Enhancing safety for drivers, bicyclists, pedestrians, transit and freight
- Improving mobility and access for people
- Fostering livability and economic development
- Moving freight reliably

Over the next three years this study will engage the entire Aloha-Reedville community in finding ways to improve quality of life and address future growth. Your participation is vital to its success.

The goal of this study is to find ways that Washington County can help the community:

- Supporting job growth and business development
- Maintaining (or increasing) affordable housing options
- Improving auto, public transit, bike and pedestrian options
